

Director of Capital Project Development – Salary £50k (Circa) - Full Time

Ref- B848

We have the most amazing opportunity for an enthusiastic, energetic and extraordinary someone to join our Senior Management Team as Director of Capital Project Development.

To join Sandwell College now, during one of its most exciting periods, is an opportunity not to be missed.

We are currently in the process of building a new £77m+ college in the heart of the West Midlands in West Bromwich and are looking for somebody with the experience and technical capability to successfully manage the timely transition from three campuses to one.

You must have experience in the management of new build capital projects (£20m+), have managed the procurement of consultants and contractors, have effective financial management experience, hold an in depth knowledge of relevant health and safety legislation and be an inspiring leader.

The contract is for a fixed term period until December 2012 and we are offering a comprehensive benefits package, including a salary of circa £50k per annum and 35 days holiday plus statutory bank holidays.

Do you have what it takes to lead this project?

Interested? Please visit www.sandwell.ac.uk to find more detailed information including the Job Description, Person Specification and Job Application Form.

Closing date for all applications will be 28th May 2010.

Shortlisting will take place on the 1st June 2010.

**Interviews will take place on the 9th and 10th June 2010
in the form of an Assessment Centre and formal
interview panel.**
